RUNNING

GOLDEN GATE INTERNATIONAL COLLEGE
NEB
2022

SUKUTE SECONDARY SCHOOL
Secondary Education
2020

CERTIFICATIONS/TRAININGS

MERN STACK DEVELOPMENT PROGRAM **2024**
Mindrisers Institute of Technology

- Developed web apps using MongoDB, Express.js, React, and Node.js for seamless functionality.
- Designed RESTful APIs with Node.js and integrated third-party services.
- Improved app performance through efficient database queries, state management, and front-end optimizations.
- Used RTK Query for efficient data fetching, caching, and state management, improving app performance.

REACT JS WORKSHOP **2024**

Texas College Of Management and IT

- Built reusable and maintainable UI components using React.js, ensuring modularity and scalability.
- Utilized React's state management and hooks (useState, useEffect) to handle complex UI states and side effects.
- Built responsive, mobile-first UIs using Tailwind CSS combined with React for seamless user experiences across devices.

SKILLS

- A Frontend: React.js, Tailwind CSS
- Backend: Node.js, Express.js
- Tools & Technologies: Git, GitHub, Postman
- Databases: MongoDB, MySQL
- Teamwork and Time Management
- Leadership

LANGUAGES

- English
- Nepali

PROJECTS

EduMeeting Website

Edu Meeting is a web-based platform for educational institutions, built with MongoDB, Express.js, React.js, and Node.js. It offers features like Upcoming Meetings to view schedules, Meeting Details for event specifics, Courses section, Apply Now for student applications, and Contact Us for support. The platform also includes an Admin Panel designed for managing courses efficiently.
